14th October 2016

Edition: Autumn 6

On Tuesday 4th October, our school was awarded **Language Quality Mark** by School Improvement Liverpool. Two statements from school improvement:

- Congratulations! The efforts and the work children and staff are doing surpass expectations for this award. A massive well done to Monksdown for their hard work and commitment to MFL and the Global Dimension. A truly well deserved award
- 'It was lovely to see such willingness from the staff, and such joyful responses from the children, and to be so warmly welcomed in the school.'

We are extremely proud of our achievement.

Thank you to everyone who donated food for our Harvest Festival this year. All contributions will be given to our local food bank which serves families in our area. We are still collecting items until Wednesday, 19th October should you still wish to give.

PUNCTUALITY

An increasing number of children are late for school. In order to gain the greatest benefits from their education it is vital that they attend regularly and arrive at school on time everyday. We are introducing a new signing in system and if your child is late you will need to record the reason why on our data base. As a way of improving punctuality we will be implementing our 'In line at 5 to 9' initiative. Children who are punctual and in school every day for 4 weeks beginning 31st October will be rewarded with stickers and a film afternoon.
