If your child is late, an adult **MUST** come into the reception area and complete the signing in screen. If your child leaves early they must sign out using this system. **This is for the safety and security of your children.**

Nail Varnish is not part of our school uniform. Please ensure your children are not wearing nail varnish to school.

A big thank you to all the families who attended the family fun event on Wednesday evening. We all had a wonderful time playing games from past and present and enjoying delicious food. I would like to give Ms. Wright a very special mention for organising the whole occasion. It was spectacular!

There are too many children who do not keep their PE kits in school therefore are missing an extremely important lesson in the curriculum. Kits are kept in school until holiday and then sent home to be washed. Please support school with this matter.

There is a **Nurse Drop In Session** on Tuesday, 15th November for any health issues you may have concerning your child. Please feel free to call into school between 9 and 10am – no appointment is necessary.

Spare Uniform Needed

Reception classes need spares for when children are wet. We especially need trousers. If you have any clean clothes (not just uniform) that you could donate please pass them to the school office.
