Edition: Spring 12

Dear Parents and Carers,

It was wonderful to meet and chat to so many of you this week during Parents' afternoon. I hope you found the meeting valuable and had the opportunity to celebrate your child's success and learn about their areas for improvement.

Thank you for those of you who completed the on-line survey. Your views are most important to us and an analysis of the results and findings will be shared after the Easter break.

We were fortunate enough to be the home of some farm animals and horses this week. The children enjoyed learning new things as well as how to care for the animals.

Years 1 and 2 visited Knowlsey Safari Park and met some amazing animals as they walked around in the sunshine.

'Do the best you can until you know better. Then, when you know better, do better.'

Have a restful weekend.

Mrs Gough

### Safeguarding Noticeboard

The new safeguarding noticeboard (on the wall of nursery) has many QR codes for you to scan using your smart phone. In order for you to access the relevant information, you need to download a QR Reader App from the App Store. It is free! Once you have downloaded it, you can keep your eyes out for any of the QR codes and scan them to find out information.

Could all library books be returned before the Easter Holidays

## IMPORTANT

If your child is late coming to school (after 9am) an **ADULT MUST** sign them in using the electronic system at the Main Office. This is for the safety and security of YOUR children. If your child is not signed in by an adult, their morning mark will show as an unauthorised absence which may result in a visit from the Education Welfare Officer.
