Our School Nurse will be holding a meeting to inform parents about ways of eradicating head lice. This will be held on Tuesday, 24th January at 2.30pm in school.

On 18th January, pupils in Years 5 and 6 had the chance to plant apple trees, raspberry bushes and strawberries with staff from Edible Gardens. Over the coming months the younger pupils will have the opportunity to plant further fruits and vegetables. Each class will have allocated beds to care for. We are looking forward to eating our produce.

If your child is late, an adult **MUST** come into the reception area and complete the signing in screen.

If your child leaves early they must sign out using this system.

This is for the safety and security of your children.
