My sincere thanks to all those who completed our recent Parental Survey. It was an overwhelmingly positive response and I really appreciate the honesty of your feedback. The parental voice is very important to us and I will consider the suggestions in your comments as we begin to look forward to planning for 2017/18.

This week I have been attending the Head Teacher's Conference in Chester alongside many of the Headteachers in our area. It was good to share our vision and the good practice in our school.

In school we have had such a busy week. The children met their new teacher and teaching assistant as part of the transition process.

On Tuesday we had the official opening of our Edible Playground by Councilor Nick Small. We also had two Maths Puzzle Days which enabled the children to use their thinking and reasoning skills in a fun way. Above all, the days help to boost self confidence and raise the children's own expectation of what they can achieve.

Rehearsals for 'Annie' have been taking place and I'm sure you will be in for a wonderful evening's entertainment. Well done to children in Years 3, 4 and 5 who have been sitting their NFER tests in Reading, Maths, Grammar, Punctuation and Spelling. Despite the very warm weather they have all worked diligently and enthusiastically.

Have a lovely weekend

Warmest Regards

Mrs Gough
