

PE and School Sport Funding 2016/17

The government is determined to secure a significant and lasting legacy from the very successful 2012 Olympic and Paralympic Games that were held in London. In order to achieve this and improve the provision of PE and sport in primary schools, additional funding has been made available.

At Monksdown Primary School we believe that sport plays an important part as it contributes to the health and well-being of our children. Sporting excellence and participation, alongside strong cultural opportunities, go hand in hand with academic standards.

Our school has received **£9460** which has contributed in enabling us to strengthen and improve our PE and sport provision in the following ways:

Objective	Action
To raise the quality of teaching and learning in PE and sports	Engage in Liverpool School Sports partnership (LSSP) – Gold package Provide staff with CPD
To raise participation in school sporting competitions	Enter LSSP competitions Liase with local Secondary schools De La Salle to organise school sports events for all three Key Stages. Ensure there are a wide range of after school clubs available.
Ensure all pupils leave Monksdown able to swim at least 25 meters	Provide swimming lessons for Year 4 and 5 and fund top up programme for Year 6 pupils.

A detailed evaluation outlining the full impact of the PE and Sports spending is published at the end of each academic year.

We will sustain these improvements by providing ongoing training for staff and by purchasing resources that will continue to benefit the pupils in their PE lessons.
