

## Mathematical

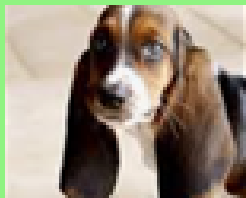

(Grown ups—Draw a dogs face on some paper & cut a hole for the mouth. Draw 5 bones and cut them out. Write the numbers 1–5 on paper)

Ask your grown up to choose a number.  
Can you feed your dog that number of bones by popping them into its mouth?  
Can you find and write the number?

## Expressive Art and

### Design

Design & make some doggy ears to wear on your head, find a space outside, flap your arms and run really fast, pretending that you can fly!

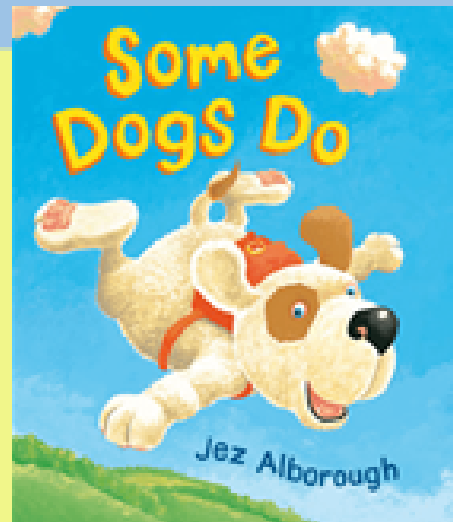

## Remember

Wear your pyjamas for the day, and log onto your zoom meeting with your favourite book and teddy bear. Check out Tapestry or the parents app for details of your zoom meeting for your class.

Imagine that Sid comes to take you on a flying adventure to your favourite place—where will you go? Draw a picture of you & Sid at your favourite place—it could be the beach, the park, anywhere!

Read a story to your teddy bear & get a grown up to take a photo of you!

## Understanding The World

Do you have a favourite breed of dog? Have a look at some different dogs in a book or on the internet and choose one.

Can you build a cosy kennel for your favourite dog? Use your blocks, some cardboard boxes or whatever you have. Take a photo & send it in.
