Where Children Come First

Friday 25th March

Our school's child protection officers are Mrs Price, Mrs Stewart and Miss Makin.

Dear Families of Monksdown ,

It has been really refreshing to welcome the warmer weather this week and see the children beginning to wear the summer uniform. The children have been out and about in the community, making a difference and representing the school. They were a credit to you.

Supporting our Community

Our Eco-Councillors took to the streets on Wednesday and headed to our local park. There they met up with Friends of Norris Green park and joined in with the Million Mile Clean. Our passionate Eco Team got stuck in to help clean up our local area and did a great job litter picking their way around the park. It was astonishing to see the amount of litter in our local area and our children have pledged they will continue to help to make a difference. A special thank you to two of our roving reporters from the newspaper club who captured highlights of the event.

Supporting Women's Sport

The Newspaper Team visited Goodison Park, home of the mighty blues this week (can you tell who I support!) and interviewed the Women's Football Team.

Supporting Our Health and Wellbeing

Class 4.2 have visited KIND this week and enjoyed participating in the organised activities centred around being the best they can in all that they do. The children have had a spectacular week and returned to school fully recharged and rejuvenated.

Wellbeing Top Tip of the Week

Giving to others brings a better feeling than receiving. When we give to others it actually triggers our brain, releases endorphins and boosts happiness for us as well as the people we help. It is important to give others gifts of kindness to represent your friendship and what they mean to you. This can help to build friendships and connections with others, or re-uniting broken ones that boost your energy, making you feel complete.

Giving doesn't have to just be something you buy for someone, it could be to give your time to help someone, acts of kindness such as holding the door for somebody, giving them time to listen to them, saying thank you to someone for something they've done for you, asking a friend if they would like to play together, asking a friend how they are and really listen to the answer, offering your seat to somebody on the bus, offering to help your teacher with a job in the classroom.

Studybugs

We have signed up to a new, more efficient and secure system, called Studybugs, to support you when reporting your child's absence.

Studybugs work in partnership with the NHS to provide you with medical advice.

To make it easier for you to let us know if your child is going to be off school, please ensure you have downloaded the app or register for free on the Studybugs website <https://studybugs.com/about/parents>.

School Nurse Involvement

School are working closely with our health professionals to ensure we can support you and your children with any barriers you may be facing with attendance.

Please contact Mr Haughey should you require further information or support.

Attendance Matters

Please ensure you have provided medical evidence for absences that are due to illness. Medical evidence may include appointment cards, medication or care of the chemist acknowledgements.

If your child required medication during school. Ensure you inform our office who will be more than happy to store the medication in school and administer it when required.

Dear Parents,

I am delighted to inform you that following the success of previous year's courses we are expanding the football coaching programme for the season. The course will run on a weekly basis EVERY THURSDAY during school term times.

All of our courses are run by **F.A. QUALIFIED COACHES INCLUDING EX-PROFESSIONAL PLAYERS**. All of our coaches have been **DBS/CRB POLICE CHECKED**. The course is open to **Boys and Girls** aged between 4 and 12. All abilities are catered for with total beginners introduced through **FUN** and confidence building practices. The course is tightly structured to ensure all aspects of football skills are developed.

At the end of the term(usually 10-15 weeks) **every child** will receive an engraved merit **Trophy** and course **Certificate**, with chances to win extra trophies including Penalty Shoot out, American Shoot out and Champions League Competitions.

The cost of the course is £7 per week, which is payable every four weeks (£28) with the first payment due on week one. Parents are welcome to stay and watch however the club is fully supervised so children may be left in our care. We have the use of **excellent facilities** including the large indoor sports hall and outdoor grass pitches.
