

# MONKSDOWN PRIMARY SCHOOL REMOTE LEARNING ACTIVITIES

Year 6

Respect, Resilience, Resourcefulness & Responsibility.

Date 14.03.22

## DAILY ENGLISH ACTIVITIES

### Writing activities

Monday 14th March	Writing Activity Submerged World   Look at the image of the strange and unusual world and complete the activities here
Tuesday 15th March	Writing Activity Submerged World 2 Take another look at the picture and think about what was discussed yesterday. Tell an adult at home. Complete the activities here
Wednesday 16th March	Writing Activity  Quick Write Space Click here for your activity. We want you to really focus on extending your vocabulary. Use a thesaurus if you have one or look online
Thursday 17th_March	Writing Activity <u>Can I write a setting description?</u> Use the picture <u>here</u> as inspiration for writing a setting description—think about the punctuation we have been using in school.
Eriday 18th March	Writing Activity Can I write a short story? Use the image here to write a short story about a haunted house. Remember to include a relative clause and use the semi-colons as we have discussed. Can you think of any figurative language you could use?

#### Reading and Grammar Activities

Reading	This links (here and here) will take you to this week's texts and click here for the questions for Monday to Thursday. On Friday, enjoy some time to read for pleasure.
Grammar Revision activities	Take a closer look at tenses. Have a look at some information here and complete the activities here.

# DAILY MATHS ACTIVITIES

Mat	hs	Focus:

	·
14.03.22	This week we are going over some of the things we have been learning in maths. Click here to read through this guide which will help to refresh your memory. Try the activity here.
15.03.22	Look back over the booklet we used last lesson. Try the activities here (use the booklet to help you if you are unsure!)
16.03.22	Lets have another look at methods of multiplication and division here. Which method are you most comfortable with? Is it the most efficient?
17.03.22	We are looking at our recent work on decimals. Today let's focus on dividing money and expressing our answers to 2 decimal place. Try the activity here
18.03.22	Can I practice arithmetic skills? Click here for your activity

## WIDER CURRICULUM

WIDEN CONNICOLON		
Monday Science	Can I research climate change?  This week we are celebrating National Science Week. Our focus in Year 6 is climate change. Research what climate change is and look at the information here. Create a poster promoting ways to slow down climate change. Upload your work to GC	
Tuesday PSHE	Can I understand things that are harmful to my body? Click here for a power point and activity related to different drugs and harmful substances	
Wednesday PE	Click here for a fun Joe Wicks workout routine	
Thursday ART	Continuing with our work on skulls. Research the artist Ramesh Mario Nithiyendran. Present your findings in a power point or as an artist study.	
Friday PE	Keep moving! Try this fun family workout here
