## Where Children Come First

Friday 1st December

Designated Safeguarding Leads :

Mrs Russell Mrs  
Dakin  
Deputies-Mrs Price  
and Mrs Stewart

### It's beginning to look a lot like Christmas

Santa's elves have been busy decorating the school ready to make the build up to Christmas magical. The look on the children's faces as they came into school made the hard work worthwhile.

We have just a week to go until our Christmas Fayre and I do hope you will be able to come along and enjoy the food, stalls, games and fun. There may be some special visitors arriving especially for the event. This will be a cash only fayre as we do not have card reading facilities.

Please also join us for our Christmas crafts, concerts and plays which are detailed below.

Have a wonderful weekend. Best Wishes Mrs Price

## Shake Waffle and Roll

Well done to class 6.2 who achieved 100% attendance for the second week running. Chocolate waffles washed down with hot chocolate, squirty cream and marshmallows went down a treat as they laughed at the antics of Mr Bean. Well done children.

## Speak Out and Stay Safe

The children enjoyed a fantastic drama-based assembly that taught them about anti-bullying and the importance of sharing problems.

## Voyages of Discovery

It was 2.1's turn to visit the Maritime Museum this week. They loved sketching the Titanic model, learning about what life was like on board and enjoyed acting out the story 'Polar, the Titanic Bear' during the interactive workshop.

## Decorative Delight

A beautiful Christmas decoration produced by this fabulous Y5 pupil inspired other classes to have a go at making their own!

## Tea and Talk

Thank you to all those who attended the latest Tea and Talk session. The next one will take place on Tuesday 12th December 2023 at 9am. A MHST Practitioner will be available to help with referrals for anxiety or worries.

## Christmas Market

The Year 2 walking club got into the festive spirit this week by visiting the Christmas Markets. The group loved exploring the stalls and seeing the twinkly lights of the Christmas huts. As always, behaviour was exemplary.

## Progress and Reading Award Winners

Two children in each class were awarded with a gold coin to spend in our book vending machines. These children have been recognised for their hard work and effort in the month of November. Well done!

# What Schools Need to Know about THE ONLINE SAFETY ACT

The Online Safety Act was passed into UK law in October 2023, with the aim of establishing major new layers of protection for children when they're online. The government has pledged 'a zero-tolerance approach to protecting children from online harm' – and the act certainly includes more powerful legislation which should help to safeguard young people in the digital world. Our guide summarises the key points for schools...

## WHAT THE ACT WILL DO

### HARMFUL CONTENT

Social media sites must rapidly remove illegal and/or harmful content such as bullying or harassing comments; pornography; and content that supports extremist activity or encourages or depicts violence, suicide, self-harm or eating disorders. If they fail to do so, they can be fined up to 10% of their global revenue while their executives may even face jail time.

### ANIMAL CRUELTY

Content featuring cruelty to animals is now prohibited, even if it originates from abroad (where the law may be different). Again, it is the platform's responsibility to remove this.

### MORE TRANSPARENCY

Sites must be transparent about the hazards that any children using them could encounter – by publishing risk assessments for their platforms, for instance.

### HOSTING MISLEADING ADVERTS

Scams and fraudulent adverts must be blocked or removed, or the hosting companies are liable to be fined.

### NON-CONSENSUAL SHARING

It's now easier to convict online abusers or people who share intimate images without consent, while legislation on the criminality of deepfakes has been clarified. The new laws also relate to any individuals who even threaten to share such images. This should help to protect women and girls in particular online.

### REPORTING AND FILTERING

Sites should have easy reporting mechanisms for children (or their parents and carers) to flag up problems quickly. They must also provide options to filter out unwanted content.

### AGE-RESTRICTED MATERIAL

Sites must prevent children from accessing age-inappropriate material. This includes enforcing age limits and implementing robust age verification.

## What this means for you

The act has some specific implications for schools: it's essential that leaders understand the new legislation's scope and limitations. The act is certainly a positive step, but as artificial intelligence and other advances in tech continue to produce new challenges, schools will still need to remain extremely vigilant.

### KNOW WHERE TO GET HELP

Look out for the Code of Conduct that Ofcom is creating in response to the Online Safety Act. Note that the new legislation doesn't mean an instant change: many of its elements will only come into force at the end of 2023. An Ofcom consultation on 'protecting people from illegal harms online' will be running until February 2024.

### REMEMBER THE ESSENTIALS

Remain mindful of your organisation's own online activities: the legal duty for schools to maintain appropriate software monitoring and filtering, for example, will not change.

### WATCH FOR FUTURE DEVELOPMENTS

There are some issues on which the legislation remains less clear for now: whether it's possible for Ofcom to scan encrypted private messages (such as on WhatsApp) has yet to be resolved, for instance – making this an area where, for the moment, young people have less legal protection.

### UNDERSTAND AND EXPLAIN

Staff should learn how to raise concerns with tech companies whose platforms contain anything upsetting or unpleasant. Students also need to be made aware of the newly strengthened laws relating to cyber-bullying, sexting or posting inappropriate content. Young people do make mistakes online – so the clearer their understanding of the possible consequences, the better.

### ENGAGE WITH PARENTS

Schools should also explain to parents and carers the new possibilities that the Online Safety Act affords them in terms of protecting their children. Many parents may have previously felt that there was little they could do about changing online platforms' content; they now have a far greater level of support when complaining about a company or the behaviour of an individual.

Royal Life Saving Society UK issues winter water safety advice

## Urgent Winter Water Safety Message

RLSS UK offer safety advice for winter water safety, with simple steps to keep safe during the winter:

1. Never go onto the ice to play, to retrieve an object, or a pet
2. Never enter the ice to rescue somebody, call 999 and ask for the Fire and Rescue Service

What to do if you fall through the ice:

- ☐ Keep calm and shout for 'help'
- ☐ Spread your arms across the surface of the ice in front of you
- ☐ If the ice is strong enough, kick your legs to slide onto the ice
- ☐ Lie flat and pull yourself towards the bank
- ☐ If the ice breaks, work your way to the bank-breaking the ice in front of you anyway
- ☐ If you cannot climb out, wait for help and keep as still as possible. Press your arms by your side and keep your legs together. Keep your head clear of the water
- ☐ Once you are safe, go to hospital immediately for a check up

What to do if you see someone fall through the ice:

- ☐ Shout for assistance and phone the emergency services – call 999 or 112
- ☐ Do not walk or climb onto the ice to attempt a rescue
- ☐ Shout to the casualty to 'keep still' and offer reassurance to keep them calm
- ☐ Try and reach them from the bank using a rope, pole, tree branch, clothing tied together or anything else which can extend your reach
- ☐ When reaching from the bank, lie down to avoid being pulled onto the ice
- ☐ If you cannot reach them, slide something which floats, such as a plastic bottle or football, across the ice for them to hold onto to stay afloat whilst help is on the way
- ☐ If the casualty is too far away, do not attempt to rescue them. Wait for the emergency services while calming and reassuring the casualty

## Good Attendance -

100% = 0 weeks learning missed  
95% = 1 week 4 days learning missed

## Poor Attendance -

90% = 3 weeks 4 days of learning missed  
At this level of absence your child will be classed as a persistent absentee.  
At this level of absence, the Education Welfare Officer (EWO) would be involved.  
85% = 5 weeks 3 days of learning missed

If your child is absent from school for 1 week they would miss about 5 hours of Maths and 5 hours of English

## Our Approach to Attendance and Supportive Measures

According to legal requirements, schools must keep records of absences and the reasons for them. To ensure everything is in order, please reach out to us as soon as possible on the first day of your child's absence and provide a reason. The most convenient way to do this is through our StudyBugs App.

Alternatively, you are welcome to send us an email or give our school office a call.

Contact us at:

Email: [monksdown-ao@monksdown.sch.uk](mailto:monksdown-ao@monksdown.sch.uk)

Phone: 0151 226 1606 (Option 1)

Remember, if no reason is given, it will result in an unauthorised absence mark for your child. We're here to assist you every step of the way!

- We believe in the importance of regular attendance and typically do not authorise absences without a valid reason.
- If we haven't received communication from you regarding your child's absence, you can expect a friendly phone call or text message from our team.
- Our attendance monitoring is diligent and if we notice any concerns with your child's attendance, we will reach out to you through a letter.
- In the event that attendance challenges persist, we'll kindly request a meeting with you to discuss how we can work together to support your child's attendance at school.
- If, despite our collective efforts, there is no improvement in attendance, we may need to involve the Education Welfare Officer (EWO) and this could potentially lead to legal action as a last resort. We aim to work collaboratively to prevent reaching this stage.

## Punctuality

Please make sure your child arrives at school on time each day. Doors open at 8.50am ready for lessons to begin at 8.55 am.

### Do you know how much learning children miss out on?

Minutes late per day	Equal days worth of
5 Minutes	3.4 Days
10 Minutes	6.9 Days
15 Minutes	10.3 Days
20 Minutes	13.8 Days
30 Minutes	20.7 Days

## How can you help?

- Please make sure your child arrives on time, ready for a great day at school.
- It's a great idea to prepare packed lunches, school bags, and breakfast items the night before to start the day smoothly.
- Consider setting an alarm at a reasonable time to ensure you have enough time to get everyone up and ready in a relaxed and stress-free manner. Your child's mornings will thank you!

## Important Information about School Attendance

Thursday 7<sup>th</sup> September 2023

Dear Families of Monksdown,

Monksdown Primary School is determined to do everything they can to ensure your child has the very best start in life. An essential part of this is that every child is punctual and attends school. As a parent or carer, you have an important part to play. Your child has the right to a good education and you have a legal responsibility to ensure that they go to school on time, all of the time.

Pupils should only be absent from school if:

- They are too ill to attend
- They have a medical appointment that can't be arranged out of school hours
- There are exceptional circumstances
- Advanced permission has been granted from school

**Leave of Absence during term time:**

**Parents/Carers do not have a right by law to take their child on holiday during school term-time.**

Only in **exceptional circumstances** may school grant leave of absence for a holiday. A written application to the Head Teacher or myself, Chair of Governors, must be made in order for the school to consider this. If a parent/carer takes a child on holiday without prior permission from the school, the Local Authority may issue a **Penalty Notice of £120 per parent per child**, reduced to **£60 per parent per child** if paid within 21 days. Even if a leave of absence is permitted it still counts as an absence and is recorded as Unauthorised. Permission simply means a fixed penalty will not be issued.

If you are experiencing issues with your child's attendance the school's attendance team are there to support. Please contact the school should you require their help.

Kind Regards

Martin Reynolds
