Attendance Rewards

Children who reached the school attendance target of 97% + in Spring term enjoyed an afternoon with Woody Woodpecker as he protected his forest from the clutches of two poachers. Over 200 children watched the latest Netflix blockbuster whilst enjoying snacks and drinks. The challenge has now begun for this term. Another reward for good attendance in Summer term is on its way.

Well done to the children class 2.2 for achieving 100% attendance last week.

Holidays during term time are not authorised. Please make the most of the two week half term in May and June if you wish to take a family holiday this term. If you do take your child out during term time then you will incur a fine of £60 per child per parent from Liverpool City Council.

What Parents & Educators Need to Know about SHOPPING PLATFORMS

For people looking to make purchases on their phones, several shopping apps – such as Temu – allow users to buy goods at reduced prices. Others, like Vinted and Depop, let you sell items you no longer want. As internet shopping continues to grow, however, so does the risk of scammers, hackers and breaches of privacy.

WHAT ARE THE RISKS?

MISSING ITEMS

Users of Vinted, Depop and Temu have reported not receiving their products despite payment being taken. Users can initially contact the seller to query a missing item, and they have between two and five days (depending on the app) to tell the company what has happened. However, once the money has reached the supposed 'seller', it can be quite difficult to get back.

SCAMMERS AND PHISHING

Scammers are always on the lookout for unsuspecting buyers or sellers. Common tactics include cancelling shipment of an item once the payment has been processed or asking to conclude the chat and payment outside of the app, where the victim is no longer protected by the buyer protection plan. This should, naturally, be avoided at all costs.

DATA MISUSE

Apps of all kinds frequently collect our data, often asking for more information than is necessary to set up an account. Data gathered in this way is then usually sold on to third parties for marketing purposes. Lately, certain apps have been under scrutiny for using spyware to track their members' activities – but all too often, the user's consent to this practice has been hidden away in the terms and conditions.

FAKES OR REPLICAS

It's certainly not unheard of for poor-quality products to be falsely marketed as luxury items, using misleading pictures or clever wording. These disingenuous sales are sometimes outed by suspiciously low price tags, but this isn't always the case. For children and young people especially, there's a risk that the promise of bagging a high-end item for a fraction of its usual price will outweigh any suspicions they may have.

SLOW REFUNDS

While all apps offer a refund if the product is damaged or doesn't match the description, it can take up to a month to be compensated for this. For many people (especially during a cost-of-living crisis) that can be a long time to be without both the product you bought and the hard-earned cash you spent on it.

MISLEADING DESCRIPTION

Some people will be able to notice when, say, a product's photo and its description don't seem to match. This isn't a reliable means of picking up on misleading marketing, however – especially not for children and young people, many of whom may not yet realise that such practices even exist. While it's legal to advertise one thing and sell another, plenty of shady traders use clever wording and omissions to get around this.

Advice for Parents & Educators

ALWAYS STAY ON THE APP

It's vital that users pay for any goods through the same app on which they found them, to ensure they are covered by buyer protection. This means users can access support if the item arrives damaged, isn't as described, or doesn't arrive at all – allowing them to seek compensation for the loss. Such regulations can't protect you, however, if you didn't do the deal through the app in question.

BE WARY OF PHISHING ATTEMPTS

Scammers frequently send messages within these apps to steal personal and financial information from other users. Don't respond to these messages – and under no circumstances should you follow any links they contain. Check for spelling errors, as well as inspecting the name of the sender. Report any suspected phishing emails to the app's help centre – and notify your bank if you think your financial information has been compromised.

CHECK REVIEWS

Take time to read the reviews and comments left by other users – not just of products, but of sellers and buyers, to ensure they're legitimate and reliable. Before buying an item online, check the reviews for comments about the product's quality, the seller's communication and the delivery time. If you're selling, check the reviews of your buyer for red flags such as frequent requests for refunds or claims of 'missing' items.

KEEP SAFE AS A SELLER

Sellers can be exploited just as much as buyers. Some users may purchase an item, for example, then pretend it didn't arrive to secure a refund. Always take photos of the shipping label, along with a picture of you posting the item. Send the package's tracking number to the buyer and keep a copy for yourself, letting you investigate any future claims that it never arrived. When taking photos of items you're selling, ensure nothing personal is in the background.

There is a clear connection between regular attendance and academic progress, and we're committed to supporting your child's educational journey. We are here to collaborate with you to ensure your child can come to school regularly, enjoy learning, and spend quality time with their peers. Together, we can make a positive impact on their education.

Good Attendance -

100% = 0 weeks learning missed
95% = 1 week 4 days learning missed

Poor Attendance -

90% = 3 weeks 4 days of learning missed
At this level of absence your child will be classed as a persistent absentee.
At this level of absence, the Education Welfare Officer (EWO) would be involved.
85% = 5 weeks 3 days of learning missed

If your child is absent from school for 1 week they would miss about 5 hours of Maths and 5 hours of English

Our Approach to Attendance and Supportive Measures

According to legal requirements, schools must keep records of absences and the reasons for them. To ensure everything is in order, please reach out to us as soon as possible on the first day of your child's absence and provide a reason. The most convenient way to do this is through our StudyBugs App.

Alternatively, you are welcome to send us an email or give our school office a call.

Contact us at:

Email: monksdown-ao@monksdown.sch.uk

Phone: 0151 226 1606 (Option 1)

Remember, if no reason is given, it will result in an unauthorised absence mark for your child. We're here to assist you every step of the way!

- We believe in the importance of regular attendance and typically do not authorise absences without a valid reason.
- If we haven't received communication from you regarding your child's absence, you can expect a friendly phone call or text message from our team.
- Our attendance monitoring is diligent and if we notice any concerns with your child's attendance, we will reach out to you through a letter.
- In the event that attendance challenges persist, we'll kindly request a meeting with you to discuss how we can work together to support your child's attendance at school.
- If, despite our collective efforts, there is no improvement in attendance, we may need to involve the Education Welfare Officer (EWO) and this could potentially lead to legal action as a last resort. We aim to work collaboratively to prevent reaching this stage.

Punctuality

Please make sure your child arrives at school on time each day. Doors open at 8.50am ready for lessons to begin at 8.55 am.

Do you know how much learning children miss out on?

Minutes late per day	Equal days worth of
5 Minutes	3.4 Days
10 Minutes	6.9 Days
15 Minutes	10.3 Days
20 Minutes	13.8 Days
30 Minutes	20.7 Days

How can you help?

- Please make sure your child arrives on time, ready for a great day at school.
- It's a great idea to prepare packed lunches, school bags, and breakfast items the night before to start the day smoothly.
- Consider setting an alarm at a reasonable time to ensure you have enough time to get everyone up and ready in a relaxed and stress-free manner. Your child's mornings will thank you!

Important Information about School Attendance

Thursday 7th September 2023

Dear Families of Monksdown,

Monksdown Primary School is determined to do everything they can to ensure your child has the very best start in life. An essential part of this is that every child is punctual and attends school. As a parent or carer, you have an important part to play. Your child has the right to a good education and you have a legal responsibility to ensure that they go to school on time, all of the time.

Pupils should only be absent from school if:

- They are too ill to attend
- They have a medical appointment that can't be arranged out of school hours
- There are exceptional circumstances
- Advanced permission has been granted from school

Leave of Absence during term time:

Parents/Carers do not have a right by law to take their child on holiday during school term-time.

Only in **exceptional circumstances** may school grant leave of absence for a holiday. A written application to the Head Teacher or myself, Chair of Governors, must be made in order for the school to consider this. If a parent/carer takes a child on holiday without prior permission from the school, the Local Authority may issue a **Penalty Notice of £120 per parent per child**, reduced to **£60 per parent per child** if paid within 21 days. Even if a leave of absence is permitted it still counts as an absence and is recorded as Unauthorised. Permission simply means a fixed penalty will not be issued.

If you are experiencing issues with your child's attendance the school's attendance team are there to support. Please contact the school should you require their help.

Kind Regards

Martin Reynolds
Chair of Governors
