Where Children Come First

Designated Safeguarding Leads :

Mrs Russell and  
Mrs Stewart  
Deputy-Mrs Price

Friday 27th November 2025

Dear Parents and carers,

This week the school has been transformed into a magical winter wonderland. Each year group has worked creatively to produce a unique piece of artwork inspired by the much-loved song "Walking in a Winter Wonderland." The school is now filled with sparkling scenes and snowy landscapes. What a joyful way to welcome the festive season and celebrate the artistic talent across the school.

Best wishes

Mrs Price

## North West History Hub

On Tuesday we held our very first Child-Led Local History Hub at Rotunda. It was wonderful to see schools coming together, sharing ideas and beginning to plan how we can explore, celebrate and record our local history. The enthusiasm, curiosity and leadership shown by the children made the event truly special and we're excited for all the stories and discoveries that will follow.

## Citizens UK

What a powerful evening! Our children stood alongside others from across the city to thank Liam Robinson for the progress that has been made in the city and to discuss the important next steps ahead. As always, our children were outstanding in their behaviour, their passion and the clarity of their presentation. We couldn't be prouder!

## Keeping Our Children Safe Around School

We urge all parents who drive to school to park a little away from school and walk a short distance to collect their child/children. The safety and well-being of our children and their carers is of the utmost importance and inconsiderate and dangerous parking around our school is causing a lot of concern for peoples safety. We also request that you do not block residents driveways or double park.

## Parent Pod

We're really pleased to share that our Parent Pod is now up and running in the large playground at the front of school! This cosy little space is there for families to pop by, connect, and make use of some helpful resources, including our uniform recycle rail, lovingly looked after each week by the wonderful Mrs Prescott. She keeps everything neat, fresh, and ready to go, so if your child needs a spare jumper, trousers, or even a PE top, please feel free to take what you need. No forms, no fuss, just a helping hand when you need it. Using the uniform recycle isn't just practical, it's also a great way to support the environment. By reusing good-quality clothing, we're helping to reduce waste and avoid sending perfectly wearable items to landfill. It's a small step that makes a big difference, and we're proud to be building a more sustainable school community together. Thank you for your support, and do stop by the Parent Pod next time you're on the playground!

## Bikes and Scooters - Health and Safety

Bikes, scooters, and other wheeled equipment must not be ridden on the yard during school hours. These items can pose a risk of injury to both the rider and others nearby. If bikes are brought to school, they should be walked through the yard and stored in the designated bike racks.

# Nuts in school

Several children in our school have serious nut allergies and even a small trace can cause a severe reaction. That's why we ask everyone to avoid sending in items like peanut butter, cereal bars with nuts or homemade treats that might contain them. It's a small change that makes a big difference in keeping all our children safe and well. We know how much care goes into preparing your child's lunch each day and we really appreciate your support in helping us create a safe and inclusive environment.
