

Impact of School Sport Funding 2017/18

Our school received **£19410** which contributed in enabling us to strengthen and improve our PE and sport provision in the following ways:

Action	Impact
LSSP Bronze Package	The pupils have benefitted from high quality coaching in a number of sporting activities. Through the LSSP the pupils have learnt many new games and entered inter-school competitions. The Subject Lead accessed Professional Development training.
Subject Leader to provide Scheme Of Work and resources	Staff are provided with a broad programme of work that includes a progression of skills across all key phases. Additional resources ensure all pupils are supported and challenged.
Swimming	69% of our Year 6 pupil can swim at least 25 meters. Pupils in other year groups have gained confidence in the water.
After school clubs delivered by professional coaches	High quality teaching ensures good development of skills within dance, hockey, basketball, cross country and yoga have been delivered this year. Children have opportunity to experience different sports and have achieved Platinum, Gold, Silver and Bronze awards in fencing.
To attend sport competitions and increase pupils participation in school games,	Entered competitions: Cross country, athletics, indoor athletics, handball, dodge ball, kwik cricket and hockey, A number of pupils have represented local clubs in athletics and gym due to their outstanding achievements.
Contribution towards a variety of new out of school activities.	Enabled the children to access a variety of new physical activities, including kayaking, abseiling, climbing, sailing, trampolining, rock climbing and rugby. All activities improved physical activity, collaboration and independence.
To provide a variety of physical activities devised to be engaging for pupils of all abilities.	Working as part of a team ensured all children had the opportunity to participate in a non competitive supportive atmosphere.
