

### Let's talk & listen!

Listening walk: Sit down inside for a couple of minutes (set a timer on your phone) and listen to the different sounds you can hear. When the time is up, try to remember all of the sounds you heard and draw/write them. Do the same outside. Where did you hear the most noises?

### Let's create!

Can you use your crayons/paints to make a picture of a bird?

Can you use some junk modelling from your recycling bin to make your own bird? How many wings will yours have? What colour will you make it?

Take a photo of what you've created and email it to: [monksnursery@gmail.com](mailto:monksnursery@gmail.com)

### Books and Songs:

We are reading

Little Robin Red Vest

Please see Tapestry or link on school website to see the story.

### Nursery Rhymes:

Please see Tapestry or the school website for the rhymes for this week.

### Keeping physical

Fine motor: In the story, Robin has lots of vests. Create a little washing line with string and pegs between chair legs to hang out paper cut out/real clothes!

Gross motor: Skittles - simply use rolled-up socks as a ball, and empty bottles or toilet roll tubes as the skittles. Play inside or out, and ask your little one to describe what they are doing as the action happens.

### Let's write!

Make a card to send to nursery. Can you write some letters from your name on your card?
