

### Let's talk & listen!

Listen to Little Robin Red Vest each day (on Tapestry and the website.)  
Can you retell parts of the story? Can you remember the animals? Can you remember their colour vests? Can your grown up remember the animals too?

### Let's create!

Make some binoculars or a telescope out of toilet roll tubes/kitchen roll tubes. Decorate them with colours, paint or stickers. What can you see through them?

Take a photo of your binoculars/telescope and email it to: [monksnursery@gmail.com](mailto:monksnursery@gmail.com)

### Keeping physical

Fine motor: Making shakers - using a cup/tube/empty box, can you make a musical instrument? What can you add inside to make a noise? Use your fingers to pinch the items and add them to the container. (rice, lego, socks) Which make the loudest sounds? Which make the quietest sounds?

Gross motor: Musical Ice Statues - please see Tapestry memo.

### Let's write!

Have a look at the website & Tapestry for this week's Dough Disco challenge!

Can you draw some of the animals you remember from the story? Can you cut them out using scissors? (Get a grown up to help you.)
