

World Book Day

2021

English – Can I write a newspaper article?

Write a newspaper article that reports on the farmers digging the enormous hole.

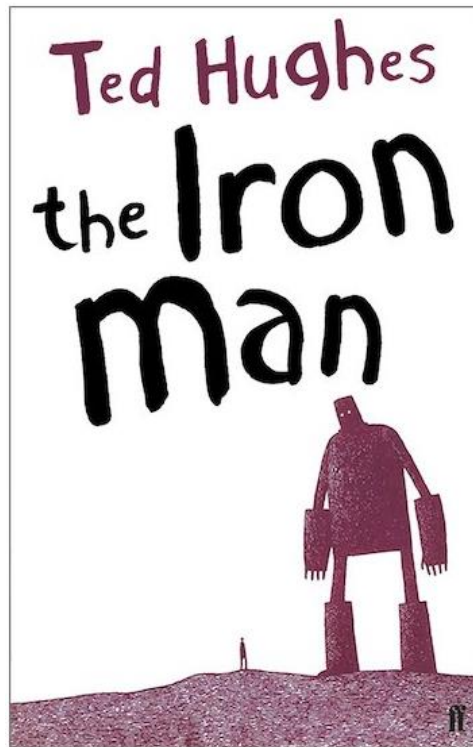

[Click here for help on how to write an article.](#)

Geography

The family on the hill feel what they think is an earthquake ... can you find out what actually causes earthquakes – create a poster/booklet to explain your findings. [This site may help!](#)

PSHE

The ironman helps the world become a more peaceful place. Think of other ways in which we could make the world a more peaceful place. Create a poster to show your ideas.

Maths – Can I identify and use area and perimeter?

Using the squared paper draw a robot. What is the area of your robot? What is the perimeter? Can you draw a robot with double/half the area of your first robot?

[Squared Paper](#)

[Robot Examples](#)

DT

Use different craft materials, or waste materials around your house to build your own Robot! Make them as creative as you can! Take a picture of you with your robot to send in.

Art

A lot of the illustrations in this book are silhouettes. Can you draw your own silhouette picture of you standing next to a giant robot?

[Watch this video to help you with drawing silhouettes](#)
