

# MONKSDOWN PRIMARY SCHOOL REMOTE LEARNING ACTIVITIES

Respect, Resilience, Resourcefulness &  
Responsibility.

Year 1

Date: 17.5.21

Our whole school theme for this week is: Resilience

## DAILY ENGLISH ACTIVITIES

English: **ASSESSMENT WEEK**

**Monday:** Watch the video [La Luna](#). Can you discuss with your grown up how the boy, his father and grandfather would have been feeling at different parts of the story? Does how they behave with one another change?

**Phonics** - review ear [video](#)

**Tuesday:** Think about what happened at the beginning of the story. Can you plot this onto this [plan](#)? Think about how the characters were feeling, what happened and adjectives to describe what you can see.

**Phonics** - review air [video](#)

**Wednesday:** Similar to yesterday, can you plot what happened in the middle of the story?

**Phonics** - review oi [video](#)

**Thursday:** Can you plot onto the plan what happened at the end of the story?

**Phonics** - phonics play [games](#)

**Friday:** Using the plan that you have written this week, can you INDEPENDENTLY re-write what happened in the video La Luna? Watch the video again to help you.

**Phonics** - phonics play [games](#)

**EVERYDAY: Reading** - Read a book using [Bug Club](#)

## DAILY MATHS ACTIVITIES

**Maths:**

This week we will be completing assessments based on addition and subtraction and place value. Please complete the tests over two days. Please ensure the assessments are completed independently.

Watch this [video](#) and dance along to practise you 2s, 5s and 10s.

**Monday:** [Place Value to 50 Assessment](#)

**Tuesday:** [Place Value to 50 Assessment](#)

**Wednesday:** [Addition and subtraction within 20](#)

**Thursday:** [Addition and subtraction within 20](#)

**Friday:** Practise counting in 2s, 5s and 10s.

## LOOKING AFTER YOURSELF

Weekly Wellbeing check

See plan attached to Class Page

## WIDER CURRICULUM

**Monday** - Has anyone in your family been christened? Can you research what happens in a christening?

**Tuesday** - Can you draw what you pass on your walk to school?

**Wednesday** - Learn what is meant by an areal view using this [PowerPoint](#). Can you draw an areal view of your bedroom?

**Thursday** - Can you draw an areal view of your garden and include a key to help you? Use this [PowerPoint](#) to help you.

**Friday** - PE—Can you pass the ball using an overarm throw and an underarm throw? Which is better when throwing far away? Which is better when throwing near? Which is more accurate?
