National Storytelling Week

(Monday 31st January- 4th February)

Dear Parents and Carers,

This year's theme is "My story, Your Story" and we are looking forward to a week of stories and activities around books.

We would love to give our children the chance to become storytellers! If your child enjoys storytelling and likes a bit of time in front of the camera, then please do record stories and send them in for us to see. It could be a really fun thing to do at home, while also practising reading and learning storytelling skills. We'd love to then share some of the best with the school community and celebrate the storytelling skills we have in our school!

Here's a few tips for amazing story telling:

- keep eye contact with the camera as much as possible
- use your voice and facial expression to engage the listener
- vary the pace and volume of your storytelling to create excitement and interest

You can send in your child's story to the email address below

monksdownreading@gmail.com

We look forward to displaying the stories on our website.

Thank you as always for your continued support.

Miss Grice
