22nd January 2022

Dear Parent / Carer,

Due to a further increase of cases in class 5.1 we have consulted with the Local Authority and have been advised the following:

Children in this class are recommended conduct daily lateral flow tests for 7 days. Parents can access home lateral flow kits on the following link: www.gov.uk/order-coronavirus-rapid-lateral-flow-tests.

Parents should report results on the government website (<https://www.gov.uk/report-covid19-result>), but there is no need for parents to report negative results to school.

If your child tests positive, please inform school and self-isolate in line with national guidelines. <https://www.nhs.uk/conditions/coronavirus-covid-19/self-isolation-and-treatment/how-long-to-self-isolate/>

Whilst it is a strong recommendation from Public Health to follow the guidance above, if parents choose not to, children will not be prohibited from attending school.

Yours sincerely,

Mrs J. Price
Headteacher
