Dear Parents and Carers,

Cobalt Housing work in partnership with Positive Footprints and local schools to raise aspirations, open up the world of work and equip the next generation with the skills they need for the future.

Monksdown Primary School is hosting an event to celebrate this shared vision. Your child will be taking part in this event, a 'Careers Carousel' and in future 'Raising Aspirations' lessons. The lessons provide opportunities for pupils to feel inspired about the future.

We would be delighted if you could join us for the launch assembly and the Careers Carousel.
